Located in our Fairview Manor community, the decorated Monticello model is open daily for tours.

This gorgeous estate home has 8,162 square feet of elegant living space and features a gorgeous brick and stone exterior with a 3-car side load garage and a motor court. Inside, this home is loaded with luxury including a grand two-story foyer, a great room with a stunning custom cedar coffered ceiling and stone fireplace, a gourmet kitchen and multiple additions such as a morning room and conservatory. Retreat to the owner's suite where you can enjoy a sitting area with optional fireplace, a dreamy his & her walk-in closet and an opulent spa bath with the optional exercise room. The basement is ready for fun and entertainment with a spacious rec room, theater room, wet bar, a den/craft room and a full bath.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
