For those seeking a grand living space, our luxurious Pinehurst estate home delivers. The main level features an open floor plan with a large great room and gourmet kitchen that is sure to be the center of activity. A guest suite is conveniently located on the first floor, along with plenty of options such as a butler's pantry, outdoor space and more. Upstairs, you'll love the flexibility to design the layout to meet your needs with features such as a bonus room and expansive primary suite, or opt for up to five bedrooms on this level. This home is perfect for large or multi-generation families with the ability to add a third floor and a basement with a secondary master, this home allows for up to 8 bedrooms and over 6,000 square feet.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
