The beautifully decorated Hayes model is open for tours on Tuesdays and Fridays - Sundays.

The Hayes is a cottage-style home that is part of our First Floor Owners Suite series. The layout features one-level living with an open floorplan that includes a great room, gourmet kitchen, a large primary suite, a guest room, den, and screened porch. Plenty of options are available to personalize this home.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
